

List of Public Institutions, 2021

Tirana, më 13 Shtator 2022: INSTAT provides the list of public sector institutions that are part of the General Government sector as well as Public Financial Corporations and Public Non-financial Corporations that are owned by public entities for year 2021.

[The list of public sector in Albania](#) (Link)

Budgetary spending units of Public Sector consist of the: Central Government sub-sector (S.1311) with 841 budgetary spending units, Local Government sub-sector (S.1313) with 194 budgetary spending units and the Insurance Funds sub-sector (S.1314) with 2 budgetary spending units.

The major revision to the number of budgetary spending units over the years comes as a result of structural changes in the Government, reclassifications, and from new or closed units.

Tab. 1 Public Sector in Albania, Year 2021

Classification by sub-sector		Year 2021
