

# List of Public Institutions, 2022

**Tiranë, on September 12, 2023:** INSTAT provides the list of public sector institutions that are part of the General Government sector as well as Public Financial Corporations and Public Non-financial Corporations owned by public entities for year 2022.

[The list of public sector in Albania](#) (Link)

Budgetary spending units of Public Sector consist of the: Central Government sub-sector (S.1311) with 850 budgetary spending units, Local Government sub-sector (S.1313) with 206 budgetary spending units and the Insurance Funds sub-sector (S.1314) with 2 budgetary spending units.

The major revision to the number of budgetary spending units over the years comes as a result of structural changes in the Government, reclassifications, and from new or closed units.

**Tab. 1 Public Sector in Albania, Year 2022**

Classification by sub-sector		Year2022
Central Government	S.1311	909
	<i>Budgetary<sup>1</sup></i>	850
