The statistical differences between arrivals and departures of Albanian or foreign nationals come mainly from:

- Law No.71 / 2016 "On Border Control". Article 17 "Facilitation of Border Verifications", where during the tourist season or increased inflow. at the moment of entry of citizens at the border, does not register all the incoming citizens;
- The facilitating procedures applied to residents of border areas crossing the border due to their commercial activity, when they cross several times a day. are not registered at the entrance;
- A good share of Albanians hold dual citizenship, who at the time of border Declaration declare different citizenship at exit from it at the entrance. etc.
