Methodology

The purpose of the annual publication of foreigners in Albania is to present the results and indicators on foreigners with residence permits in Albania, by age group and sex, countries of origin and the annual number of applications for residence permits. The publication also features irregular foreigners.

Data on foreigners with residence permits in Albania as well as irregular foreigners are provided by the Department of Border and Migration.

Definitions:

Foreigner is any person, with or without citizenship, who, according to the Albanian legislation, is not an Albanian citizen.

Residence Permit is a document issued by the competent authorities which authorizes and permits a foreigner to stay in the Republic of Albania for more than 90 days within 180 days.

Stateless person is the person who does not have the nationality of any state.

Work permit is the authorization issued by the responsible state authority to a foreigner, for business purposes, to be employed, self-employed or for professional training.

Family reunification is the entry and stay in the Republic of Albania of family members of an Albanian citizen, who do not have Albanian citizenship or a foreigner or a refugee resident in the Republic of Albania, with the purpose of maintaining the family, regardless of whether the family relationship is established before or after the entry of a foreigner into the Republic of Albania, in cases of family reunification of the foreigner's family.

Family members of a foreigner, asylum seeker, refugee or person under subsidiary protection are their spouse, cohabitant, whose cohabitation has a stable and proven character; minors, unmarried children, part of the family composition including those deprived of custody and who are in custody of him or her or adopted by a court decision or a decision that is enforced directly, according to the international obligations of the Republic of Albania or to be recognized, in accordance with international obligations, as well as unmarried adult children when they cannot objectively meet their needs due to their health status; first-line ancestors in the right line, when they are in charge of him or his / her spouse, according to the legislation of origin and do not enjoy the proper family support in the country of origin.

Volunteer's service is a program of solidarity activities, based on activities recognized in the Republic of Albania, in pursuit of objectives of general interest.

Researchers and specialists are foreigners with specialized knowledge, essential, for service, research equipment and a high level of qualification for the activity exercised by the enterprise or research institution.

Irregular stay is the presence in the territory of the Republic of Albania of a foreigner who does not meet or no longer meets the conditions for entry, stay or residence in the territory of the Republic of Albania.

State or place of origin is the state whose citizenship is held by asylum seekers or refugees and, in the case of stateless persons, the country in which the refugee or asylum seeker has his habitual residence.
